Dear Hasse Kristensen

With reference to your e-mail this morning I forward a letter to Ms Sally Stratmeoen regarding our comments to the draft report on the USDA audit last October. The letter was sent to Washington directly and also through the American Embassy in Reykjavik and the Foreign Ministry in Reykjavik. Please let me know if it does not arrive in Washington. Please appologize our late response.

Best regards

Sigurdur Örn Hansson

The Chief Veterinary Officer has received your letter dated FEB 4 2002 where FSIS invited us to provide comments regarding the information in the report on your on - site audit of Iceland's meat inspection system conducted from October 8-18, 2001.

We have studied the report and do not wish to comment on the factual information contained therein.

We look forward to our cooperation and your initiative with respect to a teleconference to discuss outstanding matters.

Sincerely yours

Sigurdur Örn Hansson DVM MSc  
Deputy Chief Veterinary Officer
